BACK FACIAL

Like other facials, having a back facial is relaxing. Exfoliate the dead skin and deep moisturize that hard to reach area to a facial to clarify and soften the skin of the back, provide deep cleaning and hydration that will leave you with healthier skin and leave you completely relaxed.

1 HR KSH 6,000

THE BUM BUM FACIAL

Get your peach soft, hydrated and summer perfect with the most, firming, exfoliating & brightening treatment around. It includes a deep steam cleanse followed by extractions, exfoliation and G5 cellulite reducing therapy for that extra firming effect. A firm mask ensues to tighten the skin followed by a hydrating booty oil to leave the skin peachy and soft. This pamper treatment not only leaves your behind glowing, it also feels AMAZING too!

1 HR KSH 6,500

THE BACK & BUM FACIAL

This luxury treatment targets a variety of back and buttocks skin issues. Like the skin on your face, the skin on your back and buttocks are prone to dryness, flakiness, loss of elasticity and inflammation. This treatment helps improve circulation on your back and bum and gives you a healthier, ageless and smooth skin.

COUPLES OASIS – THE SHARED EXPERIENCE

Within the privacy of the Couples Room, you will each enjoy a relaxing foot bath to welcome you. This is followed by a cleansing body scrub and is completed by a 60 minutes Swedish or Deep Tissue Massage carefully selected on the basis of your lifestyle, body concerns and general state of well-being. It is an opportunity to experience an oasis of calm, right here in the city of Nairobi.

1 HR 30 MINS KSH 16,000

DEEP TISSUE MASSAGE

Release stress and tension using this firmer technique which focuses on the deeper layers of muscle tissue. Aiming to release the chronic patterns of tension in the body in affected areas; this massage is done through slow strokes and deep finger pressure.

1 HR KSH 4,500

HOT STONE MASSAGE

Melt away tension and ease stiff muscles through strategic placement of heated volcanic stones. Each session promotes deeper muscle relaxation as well as improves your circulation and metabolism. Along with relieving tension, hot stone massage can help to promote sleep, relieve pain related to autoimmune disease, boost immunity, and even decrease cancer symptoms like fatigue, nausea, depression, and pain.

1 HR KSH 7,000

AROMATHERAPY MASSAGE

Focuses on relieving tension and stress in key points on your body. Choose your preferred aromatic oils from a selection of soothing, renewing, detoxifying, rejuvenating and balancing aromas. Enhance your feelings of tranquility while balancing your mind and body.

1 HR KSH 4,500 | 1 HR 30 MINS KSH 7,000

SWEDISH MASSAGE

The technique used is to relax the entire body. This is accomplished by rubbing the muscles with long gliding strokes in the direction of blood returning to the heart to leave you feeling completely refreshed.

1 HR KSH 4,000 | 1 HR 30 MINS KSH 5,500

INDIAN HEAD AND SHOULDER MASSAGE

Stress and tension in the neck, shoulders and scalp are massaged away using aromatherapy oils and soothing massage strokes. This is a great choice for a quick mental pick-me-up.

30 MINS KSH 2,000

BEST FOOT FORWARD

Designed to specifically relieve tensions and soreness in the legs and feet using aromatherapy oils and soothing massage strokes; this massage leaves you rejuvenated.

30 MINS KSH 2,500

FOOT REFLEXOLOGY

From head to toe, foot reflexology can help you with almost every part of your body. Experience a relaxing and therapeutic treatment concentrating on pressure points and massage techniques on the feet. Reflexology helps balance and detoxify, which can help alleviate tension in the body, relieve headaches, sinus congestion and most stress related conditions.

ADVANCED AESTHETIC FACIALS

COAX FACIAL

Coaxmed is a unique technological innovation, combining several technologies into one safe and non-invasive system for facial procedures. Powerful lifting techniques target sagging jowls, cheeks and chin, whilst helping to reduce puffiness and fluid retention and contouring the face. This facial is also designed to address superficial and deep wrinkles, sun damaged skin, acne and skin impurities, enlarged pores, hyperpigmentation marks and acne scars. A combination of six consistent monthly treatments will give you long-lasting results.

1 HR KSH 10,000

MESOTHERM FACIAL

This revolutionary facial literally peels away the years! By targeting superficial scarring, blemished and poor skin tone this advanced resurfacing technique safely and effectively removes the thickening layer of the epidermis to improve the clarity to your complexion.

1 HR KSH 9,000

Q-SWITCH FACIAL

The Q-switch laser is used to remove unwanted brown spots, sun freckles, or tattoos from your skin. The laser energy pulse, which is in billionths of a second, releases the pigment into the skin so it can be naturally reabsorbed and disposed of by the body. A single treatment usually removes greater than 75% of an individual brown spot. A second or, on rare occasions, a third treatment, may be needed to completely neutralize the color.

1 HR KSH 9,000

MICRODERMABRASION

This is a non-surgical, non-chemical, non-invasive method of skin resurfacing. It exfoliates the skin and removes skin debris, resulting in firmer more youthful looking skin. Repeating this process stimulates the production of new skin cells and increases the levels of collagen and elastin which improves the appearance of the skin. A combination of this facial with collagen boosting facials such as the CoaxMed will leave you looking ten years younger!

1 HR KSH 6,000

NON-SURGICAL FACIAL LIFT

Clinically proven to reduce wrinkling by up to 94% and improve skin firmness by up to 57% after just one treatment; this facial works through a magical combination of science and ancient minerals to reveal a younger and uplifted you.
